Yves Ury, new Sales Director at Domaines Vinsmoselle

Since 1 August 2017, Yves Ury is the new Sales Director at Domaines Vinsmoselle, headquartered at the Château of Stadtbredimus.

Yves Ury graduated with an MBA from the Universität Nancy II and he can look back on a career of 25 years in the beverage sector: He started his career at Bofferding, where he worked for 11 years in the HORECA department. Next, he joined Diekirch, where he was head of gastronomy. 14 years later, he switched to Ramborn, the first Luxembourgish Cider producer, where he established the sales structure.

Hence his move to Domaines Vinsmoselle is another career step with a new challenge: „I look forward to tackling this challenge and I hope to contribute with the experience I have gained over the last years to a new impetus to the Luxembourgish market leader“, declared Yves Ury on Friday.

Domaines Vinsmoselle reunites around 230 winemakers and produces wines from selected vineyards along the Luxembourg Moselle, from Wasserbillig to Schengen. Domaines Vinsmoselle wishes Yves Ury a successful start and is looking forward to a good cooperation.
